Dear Friends:

Follansbee's Christmas in the Park will be hosting their twenty-second annual event on October 12th and October 13th, 2024. This event is being held in Follansbee Park, and we will have food vendors and crafters. The monies we make from this event are divided between three and four charities.

This letter is to ask if you would consider sponsoring our event. We would appreciate any amount that you could donate. Monies donated go directly into the amount distributed to the charities. We welcome any items that may be raffled off during the two-day event. We are also preparing treat bags for all the children and are looking for items to fill the bags. Anyone that donates will be listed in our program for the weekend.

Should you wish to donate, please contact me at 304-748-3903 or Bill Secrist at 304-527-0177 or mail donations to:

Christmas in the Park Charities
